

Movento[®] MPC Insecticide/Nematicide

Group 23 Insecticide - Vegetables

Movento[®] MPC insecticide/nematicide features powerful, two-way movement throughout plants to protect them from a broad range of insects, mites and nematodes above and below the ground, helping to create a healthy crop. Thanks to this unique two-way movement upward and downward from shoots to roots, there's nowhere for pests to hide in crops, including those in dense canopies.

/// BENEFITS

- **Long-lasting Protection**
High level of residual efficacy and protection of new plant growth.
- **Two-way Movement**
Systemic movement protects the entire plant, including new shoots and root systems, in dense crop canopies.
- **Suppression of Nematodes**
Suppresses nematodes below ground leading to stronger roots that create a solid foundation for crop productivity.
- **Unique Chemistry**
Unique mode of action that becomes active when ingested by insect, mite and nematode pests that feed on treated plants.
- **Integrated Pest Management (IPM) Fit**
With minimal risk to natural predators and beneficial insects, it makes an ideal addition to IPM programs when used as directed.

/// HOW MOVENTO[®] MPC INSECTICIDE/ NEMATICIDE WORKS

Movento MPC helps to maximize crop quality and potential return on investment.

When sprayed on the leaf surface, Movento MPC penetrates the leaf cuticle where it becomes fully mobile within the plant providing protection that extends from the roots up to the leaf tips. Movento MPC then moves from the leaves to the roots. After being exposed to Movento MPC, juvenile stage insects and pests are no longer able to develop, thereby reducing populations.

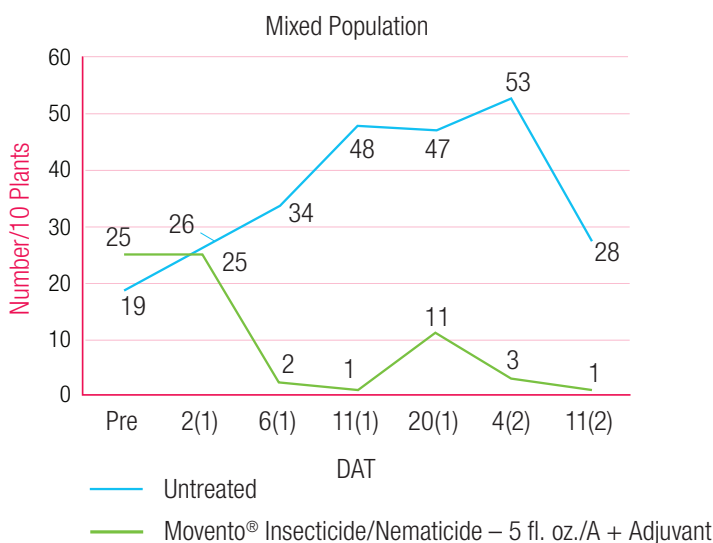

Movento MPC offers an effective overall reduction of pest pressure, which translates into healthy, strong plants with great yield potential.

/// MOVENTO[®] MPC INSECTICIDE/ NEMATICIDE QUICK FACTS

- **Active Ingredient:** Spirotetramat
- **IRAC:** Group 23 Insecticide
- **Signal Word:** Caution
- **REI:** 24 hours
- **PHI:** 1–7 days, depending on crop
- **Use Rate:** 6 to 20 fl. oz./A
