**RESISTANCE MANAGEMENT:**

For resistance management, **Emesto Silver** is a group code 7 and 3 fungicide. Any fungus population may contain individuals naturally resistant to **Emesto Silver** and other group codes 7 and 3 fungicides. The resistant individuals can eventually dominate the fungus population if these fungicides are used repeatedly. These resistant fungi may not be controlled by **Emesto Silver** or any other group codes 7 and 3 fungicides.

To delay fungicide resistance:

- Avoid exclusive repeated use of fungicides from the same fungicide group code. Alternate with registered products from different fungicide group codes.
- Integrate other control methods (chemical, cultural, biological) into disease control programs.

For specific information on resistance management contact the registration holder of this product.

**DIRECTIONS FOR USE:** USE ONLY AS DIRECTED.**USE RESTRICTIONS:**

**Emesto Silver** may only be used in situations where potato tubers are planted with a planter where no handling of treated tubers is necessary.

**Emesto Silver** should be applied to tubers exclusively via equipment capable of in-furrow treatment.

**Emesto Silver** is not suitable for use when planting will be done by hand.

**WEERSTANDSBESTUUR:**

Vir weerstandsbestuur is **Emesto Silver** 'n groepkode 7 en 3 swamddoder. Enige swam populasie mag individue insluit wat 'n natuurlike weerstand teen **Emesto Silver** en ander groepkodes 7 en 3 swamddoders het. Die weerstandbiedende individue kan uiteindelik die swampopulasie oorheers indien hierdie swamddoders herhaaldelik gebruik word. Hierdie weerstandbiedende swamme sal dalk nie deur **Emesto Silver** of enige ander groepkodes 7 en 3 swamddoders beheer word nie.

Aanbeveling om weerstand teen swamddoder te vertraag:

- Verminder die eksklusiewe herhaaldelike gebruik van swamddoders van dieselfde swamddoder groepkode. Wissel af met geregistreerde produkte van verskillende swamddoder groepkodes.
- Integreer ander beheermetodes (chemies, verbouing, biologies) in siektebeheerprogramme.

**Vir spesifieke inligting oor weerstandsbestuur kontak die registrasiehouer van hierdie produk.****GEBRUIKSAANWYSINGS:** GEBRUIK SLEGS SOOS AANGEDUI.**GEBRUIKSAANWYSINGS:**

**Emesto Silver** moet uitsluitlik op knolle toegedien word deur middel van toerusting wat geskik is vir in-voorbehandlings.

**Emesto Silver** is nie geskik vir gebruik wanneer plant met die hand gedoen sal word nie.
