

Knockdown Power for your Toughest Grass Weeds

Bring value to your operation with effective grass control of Olympus® 70% Water Despersible Granular herbicide.

/// BENEFITS

- **Powerful Grass Control**
Effective control of Japanese brome, foxtail barley and true cheatgrass.
- **Flexible Application**
Apply as a burndown pre-emergence or post-emergence with a wide variety of tankmix partners.
- **Residual Activity**
Olympus has the residual power to keep fighting weeds as they germinate.

/// FACTS

- When applied as a burndown with Roundup PowerMAX® 3 or RT3® agricultural herbicides, Olympus is a great complement to your post applied herbicide program.
