

FIFRA 2(ee) Recommendation

FOR DISTRIBUTION AND USE ONLY WITHIN THE STATE OF FLORIDA

VELUM®

EPA Reg. No. 264-1078

To allow for the VELUM® application to dry fertilizer for soil use.

FIFRA Section 2(ee) Recommendation: This recommendation is made as permitted under FIFRA Section 2(ee) and has not been submitted to or approved by the EPA. This product bulletin should be in the possession of the user at the time of application of the product. All applicable directions, restrictions and precautions on the EPA registered label are to be followed.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its label.

VELUM® may be mixed in water and applied to dry bulk fertilizer that will be applied with ground equipment to soil only (no foliar use). Follow all VELUM label use directions and restrictions. It is the responsibility of the individual to follow all state regulations relating to dry bulk fertilizer blending, labeling and application.

For MEDICAL And TRANSPORTATION Emergencies ONLY Call 24 Hours A Day 1-800-334-7577.

For PRODUCT USE Information Call 1-866-99BAYER (1-866-992-2937).

As with any crop-protection product, always read and follow label directions.

For additional information call toll-free 1-866-99BAYER (1-866-992-2937).
