

Powerful Residual and Postemergence Control

Warrant® Ultra herbicide is powered by two active ingredients – acetochlor and fomesafen – to protect against a broad range of tough-to-control weeds in soybeans and cotton, including pigweed species, ragweeds, foxtail species, barnyardgrass and fall panicum. Warrant Ultra herbicide provides an immediate dose of fomesafen for postemergence and residual control and a slow release of acetochlor activated by moisture through micro-encapsulation technology. This formulation brings postemergence control and added residual control to the proven crop safety and long-lasting residual control of Warrant herbicide.

/// BENEFITS

- Powerful Weed Control**
 The go-to residual benefits of Warrant® herbicide with the added foliar and residual activity of fomesafen for a broadened range of weed control
- Improved Crop Safety Potential**
 Excellent crop safety in soybeans compared to Prefix® herbicide due to the unique formulation of microencapsulated acetochlor
- Resistance Management**
 Multiple sites of action for strengthened residual control and the added benefit of postemergence control
- Outstanding System Fit**
 Ideal product for the second step of a layered residual strategy
- Excellent Tank-Mix Partner**
 Excellent tank-mix partner in postemergence applications with Roundup® brand glyphosate-only agricultural herbicides

Registered Crops	
• Cotton	• Soybean

Key Pests	
• Common Waterhemp	• Fall Panicum
• Palmer Amaranth	• Common Lambsquarters
• Foxtail Species	• Common Ragweed
• Barnyardgrass	

Formulation Information	
• Acetochlor (2.82 lbs ai/gal)	• Capsule Suspension
• Fomesafen (0.63 lbs ai/gal)	

COTTON

Application Rate	60 to 70 fl oz/A
Application Timing	Preplant, Preemergence, Post Directed
Site-of-Action Group*	14 15
Recommended Tankmix Options	Roundup PowerMAX® 3 herbicide 9

SOYBEAN

Application Rate	48 to 70 fl oz/A
Application Timing	Preplant, Preemergence, Postemergence (before R2 soybeans)
Site-of-Action Group*	14 15
Recommended Tankmix Options	Roundup PowerMAX® 3 herbicide 9
